

Pre-K 4 NOVEMBER Newsletter

IMPORTANT INFO:

Literacy
During the month of November we will be learning the letters Uu, Vv, and Ww, We will continue learning concepts of print (how we read) and story elements (predicting, characters, etc). This month, we will begin learning sight words. We will have 5 sight words a month to master. We will assess the kids for sight word mastery at the end of the month.
This month's sight words are: like, at, the, can, we

Writing
We will continue learning the formations of the weekly letters. Please continue to practice writ-ing names at home, using correct letter formation. This month we are also learning about what good writers do. Pictures and words work together to tell a story and we will work to put both of these into our own writing.

Math
This month we will begin learning about numbers. We will practice sorting numbers of objects, counting numbers of objects, and writing the numbers using correct formation. We will revisit patterns, counting, sorting & shapes. Please have your child count things around your house and ask which number is more and which is fewer or less.

Science/Social Studies
This month we will be learning about the history behind the first Thanksgiving and the tradition of giving thanks.
